INTRODUCTION

Grace and peace to you from our Lord and Savior, Jesus, who is the Christ!

Welcome to the vast array of ministry opportunities of Sunrise United Methodist Church! Sometimes navigating a pathway through so many options can be daunting. That's why we've created this guide – to help people of all ages find meaningful ways “to know Christ and make Him known; to serve Christ by serving others.”

In the gospel of John, Jesus refers to himself as “The Good Shepherd.” It's an image that harkens back to Psalm 23 – the Shepherd who leads the sheep, keeps them safe, and keeps them on a pathway to righteousness. The copy of the Shepherd you are holding intends to assist you in determining how you might ‘stay on the path.’

Within Shepherd's pages we pray you will find a map to help you determine your path to greater Christian discipleship. Shepherd is designed to lead you toward actively living into your faith. In its pages, you will find descriptions of our worship, fellowship, learning, and serving ministries for everyone in your family.

While our faith is often viewed as a private adventure, we know we do better when we are together. So, together as a faith community, Shepherd helps us communicate the marvelous ways God's Spirit is moving through us to nurture, empower, and grow our relationship with God through Jesus Christ, our Lord and Savior, our Good Shepherd.

Please use Shepherd as a way to guide your participation in the life of your church.

Blessings along the journey,

Olson M. Lindemood
Senior Pastor

At Sunrise we believe the best way to do that is through a small group that concentrates on these 6 aspects of discipleship: Worship - checking in with each other to be sure everyone is getting to a Worship service regularly, Word - studying God's Word together, Prayer - praying with and for each other, People - connecting, caring for, and truly getting to know each other, Ministry - doing something inside the church to assist the church, and Mission - doing something outside the church to assist the community (locally, nationally, or internationally). It is our desire at Sunrise that everyone grow closer to God. We would love for everyone to be involved with a small group. To find a group that suits you best, consider the existing groups below and contact that leader directly. If you would like to start a new small group, we would be happy to help you!

WORLDWIDE MARRIAGE ENCOUNTER/ ENGAGED ENCOUNTER

(UNITED METHODIST EXPRESSION)

CONTACT: Charlie and Melva Gray, 495-6123 or email cxmgray@aol.com

DESCRIPTION: A *“Marriage Encounter”* is a weekend away from home, family and responsibilities where, in a comfortable, secluded environment a couple is guided in the discovery of new techniques of communicating and sharing with one another. It is not a retreat, but it is a program designed to give couples the opportunity to examine their lives together, their weaknesses and strong points, their attitudes toward each other and toward their families. Couples are given the opportunity to look at themselves, privately with their partner in an honest, face-to-face, heart-to-heart encounter.

“Engaged Encounter” is a weekend experience designed to help couples of any age prepare personally and as a couple for marriage. The focus is on the marriage, not on the wedding. “A wedding is a day...a marriage is a lifetime.” Couples are shown communication and decision-making techniques they can use throughout their lifetime together. Engaged Encounter is specifically designed for quiet reflection and discussion by each couple. It is a positive, simple, common-sense experience between two people who are either seriously considering engagement, engaged or recently married.

The United Methodist expression of Worldwide Marriage Encounter/ Engaged Encounter sponsors weekend throughout the Rocky Mountain Yellowstone Conference. For weekend dates and locations, visit <http://colorado.encounter.org>.

HOMELESS OUTREACH MINISTRY

They meet every Saturday morning at 8:30 a.m. at America the Beautiful Park to serve alongside the 'More than a Meal Ministry' which is a combined effort of six local churches in the area. Once a month, Sunrise is responsible for cooking and serving breakfast at the park. Every Saturday, we share our faith, pray over, provide needs for, and study the word with the homeless. We hope to continue developing relationships with those around Colorado Springs who are hurting and are in need of the hope that is in Christ. We are listening and obeying God's call to serve those who are struggling as we learn more about God's love and His plan for each of us. In witnessing to the homeless about the Kingdom of God and the good news, the focus is not on preaching at the homeless but spending time with them because they need more time to process their faith.
